

# STAGEMAKER®

The innovative design of Stagemaker SR entertainment motors make them ideal for a variety of applications. The SR's light weight makes it ideal for touring events, reducing time and improving ergonomics for riggers. Its compact size permits it to fit inside truss structures, and its quietness makes it ideal for operation during performances. See how Stagemaker is raising the standard of performance today!

- Designed for the entertainment industry
- 1/8, 1/4, 1/2, 1, & 5 ton SR motors
- Plug-and-play electronics
- 1 electronics card for SR5, & SR10 models
- Chainflux chain guide with rear ejection
- Magnetic limit switch positioning system
- Quiet operation less than 65db
- Rubber bumpers and hand grips
- Maintenance free DC disc brake
- Double brake & BGV-D8+ available
